

Release Notes

CCH ProSystem fx PDFlyer

December 2023

Welcome to CCH ProSystem fx PDFlyer v.20

This document provides important information about the release of CCH ProSystem fx PDFlyer v.20. Please review it carefully. If you have any questions, please do not hesitate to call the Support Centre at 1-800-268-4522 or register to our Support Platform at <https://support.cch.com/oss/canada> and [submit a support ticket](#).

New: Introducing Wolters Kluwer Support Platform

As part of our commitment to service, Wolters Kluwer is pleased to announce the launch of our new Support Platform.

[Register to our Support Platform](#) to submit, modify and track all your support requests in a single location. A chat feature powered by our virtual assistant is also included, with access to over 40,000 articles from our knowledge base to ensure your inquiries are addressed promptly. Note that **as of December 1, 2023, email support service will be discontinued** and replaced by support tickets created from the new platform.

If you need help during the registration process, please consult the following article to get all the information you need: [How do I register to the new Support Platform?](#)

Register now to our Support Platform and take advantage of all the benefits it has to offer!

New in this version
