

# CCH<sup>®</sup> ProSystem fx<sup>®</sup> Practice Management

## System Requirements

**Program:** CCH ProSystem fx Practice Management  
**Date:** August 2022  
**Version:** 2022.22.01

Before installing CCH ProSystem fx Practice Management, make sure that your systems comply with the following:

### Server (a computer working in a server capacity)

#### Processor

Dual Core processor (Quad Core is recommended)

#### Operating System

Microsoft Windows Server 2022  
Microsoft Windows Server 2019  
Microsoft Windows Server 2016

#### Recommended RAM

4 GB of RAM (or higher)

#### Server Disk Space

750 MB

An additional 750 MB of disk space is temporarily needed for the extraction folder. Therefore, the server must have at least 1.5 GB of disk space at the time of installation.

### Clients (computers not working in a server capacity)

#### Processor

Dual Core processor (Quad Core is recommended)

#### Operating System

Windows<sup>®</sup> 11 (except for Home and Mobile Editions)\*  
Windows 10 (except for Home and Mobile Editions)\*  
Windows 8.1, Professional or Enterprise Edition\*

**Note:** CCH will discontinue support for [Microsoft<sup>®</sup> Windows 8.1](#) in our software products as of November 30, 2022.

#### Recommended RAM

4 GB of RAM (or higher)

#### Workstation Disk Space

200 MB

### Remote Workstation

750 MB additional disk space  
4 GB of memory recommended

\* For more information on the different Windows Editions, and their respective minimum requirements, consult the Microsoft Web site:

- [For Windows 11](#)
- [For Windows 10](#)
- [For Windows 8.1](#)

**Note:** RAM requirements are highly dependent on the operating system used. Please refer to the documentation provided with your operating system for minimum and recommended RAM requirements.

**Important:** We are strongly recommending that all customers enable the enhanced security measures available in Windows 8 or higher operating system, including SMB 3.0 encryption for data in transit. Since the configuration of SMB 3.0 is explicit, please consult this [article](#).

### Supported Databases

Full and Express versions of:

SQL Server 2019\*  
SQL Server 2017\*  
SQL Server 2016\*  
SQL Server 2014\*

\* CCH ProSystem fx Practice Management does not support Azure databases

**Note:** CCH will discontinue support for [Microsoft SQL Server 2014](#) in our software products as of November 30, 2022.

### Microsoft Office

Microsoft Office 2019 Standard OEM or Professional (32-bit or 64-bit)  
Microsoft Office 2016 Standard OEM or Professional (32-bit or 64-bit)
